Dear Brothers and Sisters,

I am delighted to include this letter with the first information pack on the Together in Faith campaign.

As you will read, this is the first of a series planned to keep you informed about how the money you have so generously given is being spent.

The campaign is now complete and you will be able to read the excellent results in the next few pages.

May I just take this opportunity once more to thank all those who have given or pledged money and all those many people who worked so hard to ensure that the campaign was a success.

With every blessing,

Bishop of Northampton
