

Holy Spirit, Lord of Love

1. Holy Spirit, Lord of love
You are life for every heart
Come and fill us with your power
Come and fill us with your life

*Veni Sancte Spiritus, veni Sancte Spiritus,
Veni Sancte Spiritus, veni Sancte Spiritus*

2. Come O Spirit, come we pray
Fill us with new life today
Flow in us like living waters
Teach us how to live your way

*Veni Sancte Spiritus, veni Sancte Spiritus,
Veni Sancte Spiritus, veni Sancte Spiritus*

3. By your grace you bring to all
Power, love and self-control
Be the strength within our weakness
Raise us up in Christ the Lord

*Veni Sancte Spiritus, veni Sancte Spiritus,
Veni Sancte Spiritus, veni Sancte Spiritus*

4. Come O Power from above
Fill us with the Father's love
Sanctify us for your purpose
Make us one in Christ the Lord

*Veni Sancte Spiritus, veni Sancte Spiritus,
Veni Sancte Spiritus, veni Sancte Spiritus*
