

BANNER

FRIDGE MAGNET

The diocesan banner for the Year of Prayer and Vocation is pictured on the front of this leaflet. It would be very supportive of Bishop Peter's call for this year if every community could have at least one banner. We hope that people passing by will take notice of the banner and be reminded of what this year is about. As the year begins on December 3 we hope that you will order your banner(s) etc as soon as possible so that production can begin and that we can have it with you in time.

We are also producing a fridge magnet. Which we hope will keep the idea of this special year in people's view in the home.

The size of the **hanging banner** is 3m x 90cm (approximately 10ft by 3ft). It is fully weather-proofed. The banner is easily attached to external walls with eyelet holes down both sides. Each banner costs £95. There is also a **pop-up banner** available at £125. The size is 2m x 85cm 6'6" high x 34" wide. They collapse into a tube form, and then can be extended and moved around. They would be good for internal use, in porches, foyers, sanctuaries and the assembly hall.

To ensure prompt delivery please complete and return the form opposite. Cheques should be payable to RE Service or request an invoice but it would help us greatly if you could send a cheque with your order.

The **fridge magnet** is 7x4.5cm in clear plastic and cost £1 each.

These items will be collected or delivered by hand to avoid postal charges. If you can let us have your order by 20 November or as soon as possible thereafter we will do our very best to get them to you by 3 December.
